

FREE DENTAL TREATMENT

Conscious Sedation Consulting is coming to the Winston Salem North Carolina area to provide education and training to local dentists learning about Sedation Dentistry. Part of this amazing course requires that these dentists perform basic dental needs on at least 20 patients per doctor. This is an amazing opportunity for many patients to receive FREE dental treatment and Sedation! We are looking for patients who are willing to have dentists practice starting IV's and administer light levels of sedation while receiving FREE dental Treatment!

How Can I Qualify?

- You must be between the ages of 16-65 years old
- You must be medically fit
- Must take less than 3 medications on a daily basis to maintain health.

(For Example: Asthma, Blood Pressure, Cholesterol, or Pain management medications)

- You must have a responsible individual who is able to DRIVE YOU HOME & care for you at home after the procedure (minimum of 24 hours)
- Must not be involved in recreational drugs such as Methamphetamines, Heroin, or cocaine as they may put you at risk for cardiovascular events or death while under sedation.

What kind of Dental Treatment will be performed?

- Simple Extractions
- Wisdom Teeth removal
- Deep Cleanings (Scaling and Root Planning)
- Regular Cleanings

Free Exams, Screening and X-rays be performed prior to receiving treatment and no later than August 20th, 2023.
