### Comments from Course Participants:

*"Great Facility! Good subject introduction, your desire to see the quality of dentistry in our area elevated is evident and appreciated. Great case selection... Good attention to detail."*

Dr. Jerry Hauser  
General Practice,  
Advance, NC

*"Great basic knowledge presented in a clear and concise manner."*

Dr. Joe Mickler  
General Practice,  
Winston-Salem, NC

*"It was great having the live surgery. Very informative."*

Dr. Patrick Michel  
Winston Salem, NC

*"Everything was outstanding, from content to hospitality. This was a great introductory course."*

Dr. Lisa Crisp  
General Practice,  
Glen Allen, VA

### Dr. Andrew W. Kelly

Dr. Kelly is a graduate of California State University Long Beach and received his Doctor of Dental Surgery degree from Howard University. He received his advanced implant training from the Core-Vent Institute in Encino, California, and the Medical College of Georgia in Augusta, Georgia. He is an Associate Fellow of the AAID, a Fellow of the American Academy of General Dentistry, a member of International Congress of Oral Implantology, and a member of the American Academy of Cosmetic Dentistry. Dr. Kelly is a published author and has been a product evaluator for a leading dental implant manufacturer. Dr. Kelly was the dental director at Vencor Hospital in Los Angeles, California. He has lectured on dental implants and cosmetic dentistry. He owns and operates Cosmetic Dental Center, a private cosmetic and implant dental practice. He is also co-owner of Dental Office Solutions, a dental staffing, consulting, and training center for cosmetic and implant education.
